A Prairie Home Companion Pretty Good Joke Book 6th Edition

Synopsis

Over 2,200 Jokes from America's favorite live radio show A treasury of hilarity from Garrison Keillor and the cast of public radio's A Prairie Home Companion. A guy walks into a bar. Eight Canada Geese walk into a bar. A termite jumps up on the bar and asks, "Where is the bar tender?" • Drum roll. The Sixth Edition of the perennially popular Pretty Good Joke Book is everything the first five were and more. More puns, one-liners, light bulb jokes, knock-knock jokes, and third-grader jokes (have you heard the one about Elvis Parsley?). More religion jokes, political jokes, lawyer jokes, blonde jokes, and jokes in questionable taste (Why did the urologist lose his license? He got in trouble with his peers). More jokes about chickens, relationships, and senior moments (The nice thing about Alzheimer's is you can enjoy the same jokes again and again). It all started back in 1996, when A Prairie Home Companion fans laughed themselves silly during the first Joke Show. The broadcast was such a hit that it became an almost-annual gagfest. Then fans wanted to read the jokes, share them, and pass them around, and the first Pretty Good Joke Book was born. With over 200 new and updated jokes, the latest edition promises countless giggles, chortles, and guffaws anyone's fans of the radio show or not will enjoy.

This book began with several very funny jokes, but after about 1/3 the way through most of the jokes became, in my opinion, less humorous. If you like puns, there are plenty, and some of them are creative. Some of the jokes are old and familiar, but most of them were new to me.

Purchased two editions of this for my son who has been requested to stop reading them because his laughter is disturbing others. They are NOT for children without supervision (my son is 36), but many can be told to kids...

I bought this for my 10 year old grandson - didn't realize it had some adults only jokes in it.....but it was fun to read!

Probably the best booklet of great jokes, pun, and humor to be found. When I was teaching at a University I always opened my class with humor . If I didn't my students would ask, " Dr. Lewis, where's the joke?" My source for years, was this book.

It's priceless, really. You can turn to any page and laugh. Our friends borrow it and come back feeling better from all the laughing. Hmmm. An aerobic book?! And it works for all double-digit ages.

I CAN'T STOP READING THIS BOOK OR TELLING THESE JOKES! My friends LOVE it! Especially the "A man walks into a barâ |." jokes! These are incredibly funny, and I can't recommend this book highly enough. Run, don't walk, to your "Buy With 1-Click" Button right now and order it.

Gramps, 83, enjoys these jokes. I enjoy seeing Gramps laugh and hearing him read to me. Having the book in our home is good fun for us all.

This book keeps getting better and better. Joke you can tell your children and some others. Absolutely hilarious.
