Postmemories Of Terror: A New Generation Copes With The Legacy Of The "Dirty War" (Palgrave Studies In Oral History)

Synopsis

Postmemories of Terror focuses on how young Argentineans remember the traumatic events of the military dictatorship (1976-83). This fascinating work is based on oral histories with sixty-three young people who were too young to be directly victimized or politically active during this period. All were born during or after the terror and possessed an entirely mediated knowledge of it. Susana Kaiser explores how the post-dictatorship generation was reconstructing this past from three main sources: inter-generational dialogue, education and the communication media. These conversations discuss selected and recurrent themes like societal fears and silences, remembering and forgetting, historical explanations and accountability. Together they contribute to our understanding of how communities deal with the legacy of terror.

Book Information

Series: Palgrave Studies in Oral History

Paperback: 242 pages

Publisher: Palgrave Macmillan; 2005 edition (December 11, 2005)

Language: English

ISBN-10: 1403964653

ISBN-13: 978-1403964656

Product Dimensions: 6 x 0.6 x 9 inches

Shipping Weight: 10.4 ounces (View shipping rates and policies)
