Customer Reviews

I purchased this for a man hoping it would give him some ideas on how to relax and enjoy retirement and maybe offer some interesting suggestions to pursue with his free time. Instead it seems to be geared toward women offering silly ideas such as cleaning out your closet and when to buy shoes.

sent this to my pops for his retirement, since he has no idea what to do with himself. he's not a "reader", but he thought this book was great and is still using it. thanks

My girlfriend loved this book, but I was disappointed that it was only filled with various quotes and retirement ideas. "How to Love Your Retirement, The Guide to the Best of Your Life" was much better!!

I bought this for my dad for his 70th birthday and he wouldn't put it down! ENJOY this book for

whoever you buy it for!

I am going to get myself a copy. This was a present for someone who retired. I highly recommend this book to every woman out there even if you're not retiring.
