Customer Reviews

I just wanted to leave 5 stars because I really like text books on for PC & want to encourage the system. Excellent note taking system & being able to rent digitally is so convenient & much less expensive.

Loved the ease of access to this book when I rented it through prime. No shipment fee, No stress about on time returns. Great cost as well!

You could tell it wasn't brand new, however, it was still in a good condition. No rips or tears or writings on the pages.

Really great book that offers some wonderful insight to our legal system as it pertains to the business world.

the book was in great shape and had a lot of information to help me with my BUS 201 class this semester

I would not have bought the book if it was not required and I would not recommend it to anyone else.

It was great condition. The only complaint was the fact that I had to take the class!

Book arrived in a timely manner and was very acceptable. Will order again.
