This was a little gift for my wife as she loves these! This is definitely a 5 star book for any William Shakespeare fan. For example there are questions like this one - 'From what play do we get the phrase "green-eyed monster?" There is a large variety of other puzzles (code cracker, cross-anagrams, out, crosswords, word search, anagrams, pathfinder, add-a-letter, etc) so there are puzzles for nearly everyone! I'm a Shakespeare lover but these puzzles had me looking stuff up on the internet. Many of the puzzles are harder than what Pocket-posh books usually have. I would rate this puzzle book a very good 9.0 to 9.5!

I really enjoy this series of puzzles because of the mixed variety offered! I only wish there was more like this, as I think I've gotten all the themed titles I could find! Great fun, love it!

Some of the puzzles in here have been pretty easy, but they are straightforward and different from your standard crossword or word search. Definitely fun, though!
