Another Murdered Girl Abandoned

Book 4 of The Colder Case Series

Synopsis

While Albert Dyer was on trial for the murders of little sisters Madeline and Melba Everett and their friend Jeanette, another shocking case on the other side of the United States terrified the nation. Little Joan Kuleba was the next little girl to suffer at the hand of a possible serial killer, and she definitely suffered a lack of justice when the wrong man was convicted of her murder. Here it is, the entire record on appeal, spelling out how justice bent on tunnel vision abandoned a 4-year-old murder victim. This is the fourth book in The Colder Case Series, colder because little girls are murdered and colder because when the wrong person is sentenced to death, the case is still unsolved and the real killer is still free to kill again.

Customer Reviews

Excellent read. I am not convinced Samuel Elmore was the perpetrator of that crime against Joan Kuleba. And I do not think he was given a fair trial. I would like to see another DA Submit this case
