# A Concise History Of Canada's First Nations

## Synopsis

A Concise History of Canada's First Nations, second edition, is a revised, streamlined edition of the award-winning Canada's First Nations: A History of Founding Peoples from Earliest Times, designed to make First Nations' history more accessible to a broader readership. This edition contains a new final chapter covering Prime Minister Stephen Harper's 2008 apology to residential school survivors, the Caledonia land dispute in Ontario, and the First Nations Governance Act. In addition to more than 70 maps and illustrations, it includes numerous boxes highlighting specific subjects, review questions, an extensive glossary of important names and terms, and a list of useful websites.

## Book Information

Paperback: 432 pages

Publisher: Oxford University Press; 2 edition (June 28, 2010)

Language: English

ISBN-10: 0195432428

ISBN-13: 978-0195432428

Product Dimensions: 8.9 x 0.7 x 6.9 inches

Shipping Weight: 1.3 pounds (View shipping rates and policies)

Average Customer Review: 2.5 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #1,078,750 in Books (See Top 100 in Books) #108 in [Books > History > Americas > Canada > Pre-Confederation](#) #159 in [Books > History > Americas > Canada > First Nations](#) #3861 in [Books > History > Americas > Native American](#)

## Customer Reviews

This book tells Canada's history from a Native perspective. She strives to be even-handed in dealing with all of Canada's nations. For example, she recognizes Norse and Basque peoples and their interactions with the First Nations even before the French arrived. She has also written the book in a very careful, balanced style, and there are no polemics here. I should note that Dickason is herself of Metis heritage; the Metis are of mixed Native-white heritage and now comprise their own nation. Doubtless that personal background contributes to her perspective here. Dickason excels at presenting the big picture, especially in the period up until about 1850. She does not focus on the details of individual battles or treaties, but discusses trends and analyzes patterns. That wider perspective breaks down a bit as the book gets closer to the present day, with greater emphasis on individual events and people. Because of this analytical approach, the book does not

follow chronology strictly. For example, Chapter 14 begins with Native resistance and its successes in the 1960s and 1970s before looking further back at a League of Nations case in the 1920s. After that, the chapter whipsaws forward again to century's end. I prefer this kind of history, where themes dominate sequence, but others might not. Though fairly long itself, this book is a condensation of Dickason's longer history (which I haven't read). Calder was in charge of cutting the book down, rewriting sections as needed to make the condensation work. She has succeeded - - this book feels as if it was written this way, not adapted or condensed from a longer work. It feels thorough, though not exhaustive. I'd give it 4.
