Customer Reviews

this milady textbook is very good and it arrived in excellent condition you can gain so much useful knowlegde from this book if trying to become a nail tech

A must have for anyone serious about nail technology. Everything you need to know is in there!!!

i learn alot from it the only thing i have the milady's cosmotology text book and it has everything like the nails book so i just waste my money.

thank you so much this book has been a big help to me in my study's and I would like to thank you for your fast service Thank You So Much

As a Cosmetology student these have come in handy. Great for reference for different techniques.
