Great book of questions to ask yourself and then share with your wife. Could be used when entertaining other couples. Great anniversary gift. Easy to answer and score and lots of fun for a nice price! Also purchase "Do You Know Your Husband?". They go well together!FUN BOOK! Received as a gift and we are now giving it as a gift!

Such a fun game to play with your spouse! We had such a good time laughing over how well we know each other and also when we missed what the other thought should have been a "gimme" question. Definitely got our money's worth of laughs.

We just leave this in the car for long road trips. It's always entertaining. Purchased with "Do You Know Your Husband?: A Quiz about the Man" and "201 Great Questions for Married Couples"

A fun, inexpensive anniversary gift. We laughed while we answered the questions. Nothing like laughter to celebrate many years together. But know that it's a one-use thing. But you can always re-gift to another couple and add fun to their special day.

I bought this and the husband one as fun Christmas presents for my husband of 4 years and I, and although he HATES doing things like this, he had a lot of fun filling these out with me! We didn't keep score, but we had fun getting to answer the random and odd questions it had about each other. Some of the questions were a little dumb and so random neither of us knew the answer, but if they made a 2nd edition, I'd totally buy them!

Love love this book. I placed this in my husband's stocking for Christmas and he did not want to answer questions because he thought that if he answered incorrectly, I would get angry at him. Lol The questions are basic questions and fun as well. We enjoyed each other and laughed a lot. Nice anniversary, valentine or anytime gift!

My wife and I had lots of fun with both the husband and wife ones, the only criticism is a couple of questions could really get one spouse in trouble with the other so my advice is to just skip them lest any arguments break out and someone lands themselves in the dog house.

This was very fun to go through with my wife. We did 10 questions at a time, along with the "Do You Know Your Husband?" companion. It was eye-opening and inspired me to continually pursue her and ask her questions to keep getting to know her.
