Customer Reviews

I really like doing Sudoku to keep mentally sharp.I no longer buy the Sudoku magazines because they are way too easy fot me. I do Sudoku, and play Bridge to stimulate my mind. I will be 61 years old next month, and want to kerp Alzheimer's and dementia at bay.I can solve a medium Sudoku in about 7 minutes, and a hard Sudoku in 10-13 minutesI really enjoy thr challenge of the extreme, Grand Master, and super grand master levels of difficulty. Some take me 40-50 minutes to solve.Most people are doing Sudoku THE WRONG WAY!They read books on solving Sudoku and think the only way to solve hard Sudoku is to use the full possibility matrix.THE FULL POSSIBILITY MATRIX IS NOT YOUR FRIEND. IN FACT IT CAUSES MORE PROBLEMS THAN IT SOLVES!Why do you think strategies like X Wing, XY wing, star fish, squirm, and about 60 other strategies were invented? Becsuse the possibility matrix PUTS SO MUCH GARBAGE ON THE PUZZLE YOU CANT SEPARATE THE USEFUL INFORMATION FROM THE USELESS TRASH!! only use three strategies and solve level 6 Sudoku puzzles. I'm not going to argue with success. Try my method. I think you will be surprised.1. Cross hatching. This is thd first Sudoku strategy everyone learns.2. Streamlined possibility matrix. If you see two places s number can go or a row or column inside onr of the boxes use pencil marks. Other than that dont worry if a number can go in 8 different cells. Its not worth your time. If you can avoid the trap of the possibility matrix you will start

seeing pairs and triples that you couldn't see before because there was so much garbage on the page.3. Fill It In. Every once in a while stop and look around at the 9 boxes, rows, and columns.
