Customer Reviews

Excellent puzzles. Still can't do many of the "beware" category, but will keep trying!

Love these books, if your serious about finding challenging sudoku puzzles these are for you.

Wow! For great minds only.

Seems to have enough hard puzzles, which are hard to find. The paper is rough though and not as pleasant to use especially if you have to erase.

This is my third Sudoku Book from Will Shortz. Absolutely love it. Perfect food for brain!!!
